PREP FOR OUTPUT

When you are done,

EXPAND YOUR STROKES AND APPEARANCE

of all objects (if you are using Adobe Illustrator).
Make sure that the proper fill color is now
selected for all the objects in your document.

Then save your file as both

A PDF (Save As...) and

A 100x100 PIXEL GIF (Save for Web...)

and visit <http://2008.nowhereconference.com/friends/>
to submit your friend.
